COOL WEATHER DRIVING

Railway Officials Making Preparations for Big Rush First Week

The cool weather of the past few days has driven vacationists to seek their homes and to find more than the scant summer clothing which they took

Railroad officials say that, except for some week-end trips, the travel from now on will be mostly toward home. Judging from the 15 per cent increase in amount of baggage handled last week at the Union station over the week at the Union station over the previous week, a busy time is looked for in the early future.

Preparations for a big home rush the last of this week have already been made by the railroad, express and transfer companies. Extra cars are held in reserve to be sent to nearby seashore or mountain resorts as they

seashore or mountain resorts as they By the close of the first week in September it is declared the rush home-ward of excursionists will practically

WANDERLUSTERS TRAMP **ROCK CREEK PARK TRAILS**

Threatening and Rainy Weather Keep Many From Going, But Walk Is Taken by Sixty-Two.

o explore some new trails in upper merchandise for Occoquan workhouse; patriotism be erected in the capital of Rock Creek Park and adjacent territory proved successful yesterday, al-though the constant threatening and rainy weather prevented many from total of sixty-two comprised the crowd. The "official" account follows:

"After leaving the Walter Reed Hospital and following a lovely woods trail in a southeasterly direction to the creek for a half mile, the route led north and northwest about a quarter of a mile west from the creek. Crossing and following several small ravines it came out within fifty yards or so of a rustic bridge over Rock creek, thence across the macadamized road uphill to the enrollment of cadets this year the first spring, where several rustic

an ideal resting place. "The money collected will be deposit- made at an old chestnut tree which is Spokane, Wash.; from the office of the I in the banks of each state, to be something over nineteen feet in cirealized to begin the work of erecting ly the evidence of decay. It is really

posed building and the statues to be placed therein."

This led into Daniels road, the western extremity of the park, just where a small ravine crosses in its wanderings from Chevy Chase to the north and west. After crossing this stream the hikers had a choice of two trails for a short distance to another spring, the first upfull to the left and around by a cottage and then down hill again, the other to the right and close to the ravine. But without the climb and through the bushes.

Hikers Chose Different Trails. "Both trails have a charm of their Some of the hikers chose the Work on the rebuilding of the two first, while others chose the second. estern piers at the 11th street wharf The two sections met at a second spring to quench their thirst and take a breathing spell, then re-crossing the branch took a northwest and west trail through a small open lot and by an old deserted garage building and into the grounds of the Chavy Chase here employed in building the wooden molds that will be used to form the concrete arches that will support the new piers, and in other work preparatory to the starting on the concrete construction. An old stable is being used as the workshop. Several wagon loads of shaped iron that will be used to reinforce the concrete work of the new piers has been delivered at the wharf in the past week.

It is stated that it will be two months or longer before the two piers, now under construction, are completed, and when they are finished the work of building the third pier will be started. This pier is now being used as a water-melon market, and in the middle of next month the oyster boats will begin to arrive at it. It is stated it will be spring or later before the wharf-building some added features to the spring or later before the wharf-building some added features to the spring or later before the wharf-building some added features to the spring or later before the wharf-building some added features to the spring or later before the wharf-building operations at the fish and oyster wharves is completed.

Sept. 6—Labor Day Outing, Luray, Va. It is dated it will be spring or later before the wharf-building operations at the fish and oyster wharves is completed.

CITED BY D. C. COURT IN INJUNCTION SUIT

Secretary McAdeo and U. S. Treasurer Burke Made Defendants in Case Involving \$42,000.

Justice Siddons of the District Su preme Court today cited Wiliam G. McAdoo, Secretary of the Treasury, and John Burke, 'treasurer of the United States, to show cause September 10 they should not from distributing \$42,000 among claimants connected with the building of the Corbett tunnel, a part of the Shoshone rrigation project in Wyoming.

The citation is based on a suit filed by Mrs. Katherine Macdonald of Silver Bow county, Mont., who claims to be entitled to \$11,000 of the fund, of which she has been awarded only \$3,000 by the Interior Department officials who passed on the claims. Through Attorney H. Winship Wheat-ley the plaintiff declares that the rules of evidence governing the proof of the claims were so limited by the Secretary of the Interior as to deprive her of the opportunity to prove the additional \$8,000 claimed by her.

BOSTON TYPOS SHOWN OVER U. S. PRINTSHOP

he opening of the Western High Delegation Also Visits Engraving Bureau and Other Points of Interest.

> Officials of the government printing Boston printers who are visiting Washington before returning home from the eighth annual tournament of League, beld last week in Philadelphia. The printers and their party were shown over the government plant by Deputy Public Printer Henry T. Brian. in the absence of the public printer, Cornelius Ford. The sights of the big shop proved of great interest to the visitors. Later in the day they inspected the bureau of engraving and printing, the Washington Monument and other places of interest. This afternoon, before leaving for An-Park and inspecting the Zoo.

WIG-WAG MESSAGE ON DAY OF PARADE

U. S. Signal Corps Veterans Planning Program for Coming G. A. R. Encampment.

Tuesday, September 28, is to be spen by members of the United States Signal Corps, Veterans' Association in practic wig-wagging in order that they will be in readiness to transmit a me: sage from the Capitol to the White House along the line of march the following day, in connection with the G. A. R. encampment to be held here at that time. Some of the veterans admit that they are a little "rusty" when it comes to wig-wagging, but believe Bealers Along River Front Becomthat with a little practice "it will all

come back" to them. Plans which have been made by the association are outlined in a letter received today from its president, Licut. George Carr Round of Manassas. Va. The veterans are to meet at 9 o'clock the morning of September 28 at Mount Tabor Methodist Church in Georgetown. After holding a business session they are to march to their old camp of instruction on Georgetown Heights, where they practiced signal-ing in civil war days. The Boy Scout Drum and Bugle Corps will act as

Afternoon Devoted to Practice.

The afternoon will be spent in practicing with the use of the signaling flags. Luncheon will be served by women of Mount Tabor Church. The veterans will return to their stopping office this morning received the fifty places in time to get ready for grand reception to be held at the ord census bureau building that night. The veteran Signal Corps men plan to keep huge signal fires burning dur-Stevens, Fort De Russy and other forts car at Braddock Heights, Md,, where near the city.
